

# School Chaplaincy at Queechy High School.

## School chaplaincy

- Supporting and caring for students, staff and families
- Helping people to discover their own story

School Chaplaincy at Queechy High School is funded by the Federal Department of Education, Employment and Workplace Relations through the National School Chaplaincy and Student Welfare Program

The chaplaincy service at this school is approved by the School Association. Each year a school community consultation process is conducted through the School Association to establish approval for funding for the following year and the continuation of the service.

The chaplain is available to support students, parents and staff. If you would like to make an appointment for your child or yourself to see the chaplain, please contact the school office.

N.B. Participation by students in the chaplaincy program is voluntary.

If you do not want your child/ren to be involved in the chaplaincy service in this school, please register your intention at the office.

## Introducing our chaplain, Jamie Bishop

My name is Jamie Bishop and I have lived in Launceston for the last six years. I have been the chaplain at Queechy High school for over a year. I am also a registered nurse, and I also work at the hospital when I am not at Queechy. I have been involved in youth ministry leadership for ten years at various churches. I love playing sport, playing music in bands and making video's and travelling.

## How can you support our chaplain?

- Volunteer as a helper in programs run by the chaplain – a current Department of Education Good Character Check is essential
- Contribute feedback in person or via email to the chaplain or Principal.
